Sir:

Applicants have received a Certificate of Correction (the "Certificate") for this application. Upon review of the Certificate, applicants note that "nucleoside" is misspelled in the correction made at Column 8, line 36. A marked-up copy of the Certificate showing the requested change is attached. As this mistake was made on the part of the Patent Office, applicants respectfully request that a new Certificate be issued to supersede the present Certificate.

No fee is believed to be due for this submission. Should any fees be required, however, please charge such fees to Winston & Strawn Deposit Account No. 501-814.
